(i) The particulars of the organization, functions and duties

Particulars of the organization

The West Bengal Biodiversity Board is the statutory agency for ensuring proper implementation of the Biological Diversity Act, 2002 to conserve the biological diversity, encourage sustainable use of resources and ensure fair and equitable sharing of benefits arising from use of genetic resources.

Functions of the WBBB

1. advise the State Government, subject to any guidelines issued by the Central Government, on matters relating to the conservation of biodiversity, sustainable use of its components and equitable sharing of the benefits arising out of the utilization of biological resources;
2. regulate by granting of approvals or otherwise requests for commercial utilization or bio-survey and bio-utilization of any biological resource by Indians;
3. perform such other functions as may be necessary to carry out the provisions of this Act or as may be prescribed by the State Government.

Recent initiatives by the WBBB

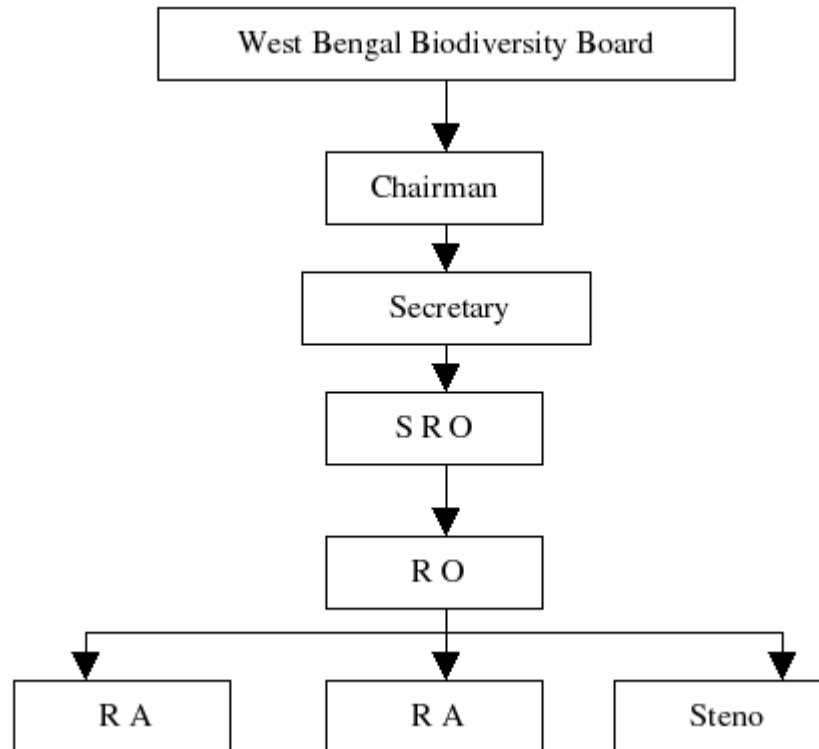

The Board has adopted certain approaches to achieve effective conservation of biodiversity, sustainable use of biodiversity components and equitable sharing of benefits arising out of the utilization of biological resources, which include :

- Formation of BMC's at local levels (Blocks) in every district of West Bengal.
- Conducting workshops for PBR's under these BMC's.
- Conducting biodiversity related workshops for different target groups viz. Bureaucrats, School & College teachers, Universities, College & School students and NGOs.
- Building awareness regarding biodiversity conservation for the community.
- Identification of 'Heritage Sites' & 'Sacred Groves' and their conservation thereafter.
